About us

VinaLiving was established as the real estate development brand of VinaCapital in 2010.

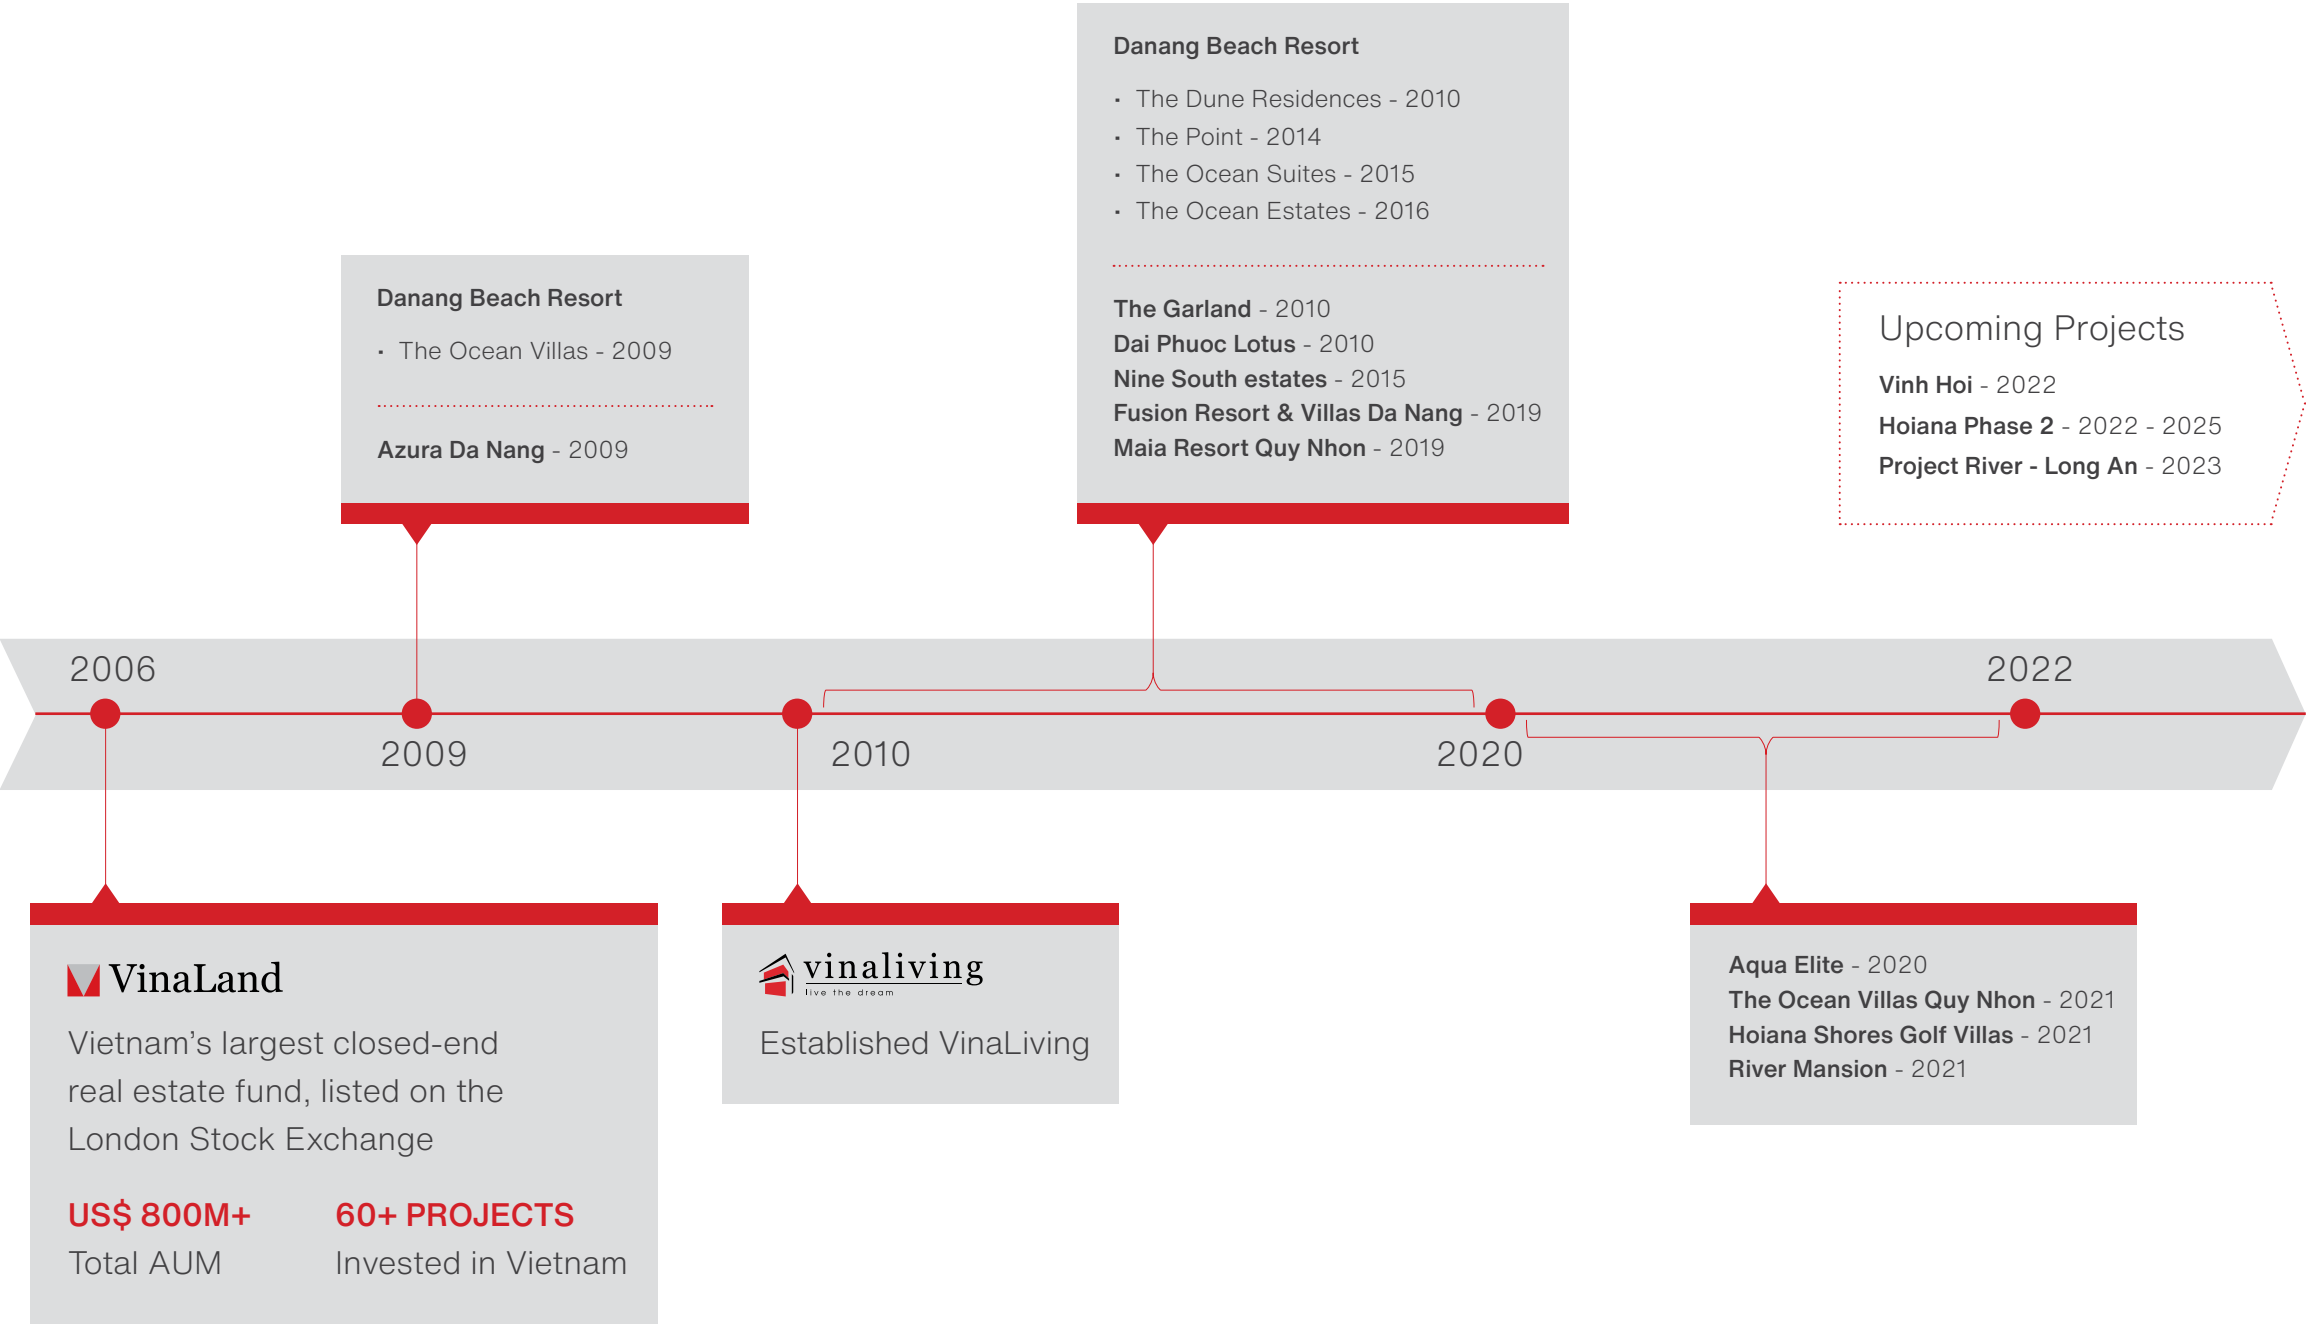

Over the past decade, VinaLiving has become recognized for its pioneering boutique resort-style residential developments in Vietnam, winning a range of international awards. Our philosophy “Bring Resort Lifestyle Home” is inspired by homeowners who seek peace, seclusion, and privacy in a beautiful, natural environment.

Featuring innovative and sophisticated designs that frame the landscape, VinaLiving’s homes are renowned for their superior quality, sustainable materials, and access to top-tier facilities within their gated communities.

VinaLiving has an in-house team to manage the entire development process, from concept design to the operational stage. We partner with leading design studios, project management groups, financial institutions, and international operators to ensure excellence across all facets of our developments.
